Re: Final RI/FS for Standard Chlorine

Dear Mr. McDonald:

Enclosed is one copy of the Remedial Investigation/Feasibility Study (RI/FS) for the Standard Chlorine Site in New Castle, Delaware. A Proposed Plan is tentatively scheduled for August 1993, and a Record of Decision to be issued in November of 1993. If you have any questions on the enclosed material, please call me at (215) 597-0910.

Sincerely,

Katherine A. Lose  
Remedial Project Manager  
DE/MD Section
